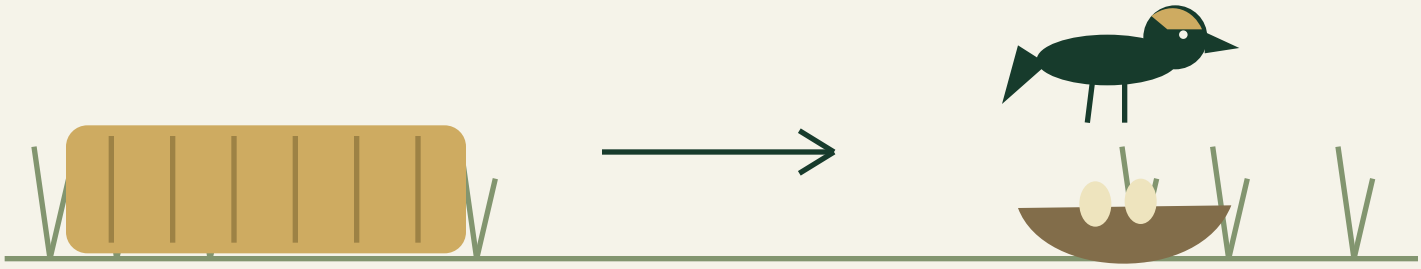
AN ENVIRONMENTAL BARGAIN / WOULD YOU TAKE IT?

WORSE HAY. MORE BIRDS.

Would you pay $25 to help a farmer wait?



Earlier cutting. Better feed.

A nesting window. A chance.

Pay a willing farmer to delay mowing.
Give nesting birds time to leave the field.

100 people × $25 = a $2,500 pilot

Proposed 2027 budget. 20 acres. No disturbance before July 15.
Farmers can decline. No guaranteed number of birds saved.

Would you take this deal?

YES / NO / YES, IF...
